[Verse 1]
I wanna take you somwhere
You have never been
I wanna show you something
You have never seen
I can feel the pressure
Just fading away
I know oh yes I know
It's a brand new day mm.

## [Chorus]

Oh yeah, love sweet sound (just a love, a love sweet sound)
Oh yeah, love sweet sound (just a love, a love sweet sound)
[Verse 2]
Early in the morning
I can hear you say
I don't know where im going
