Enter in the dance, plug it in an we begin  
Crowd up in the center, they watch be dibidim  
Watch the way we drop it in a mix timin'  
Rise and amplifyin' when we come in with the swing

Just followin' the back an naturally harmonizin'  
Climb into position with synchronized things  
Live from out the ghetto, we maximizin'  
Sound of the Groove Armada we superstylin'  
We superstylin'  
We superstylin'

Sometime  
Can you feel the pressure does unwind  
Sometime  
Sometime  
Through the day and trough the night  
Sometime  
Sometime  
You can make our pressure does unwind  
Sometime  
Sometime  
It's for your spirit and your mind  
Sometime

That's how we drop it on the up on the line  
One time lyrics that must stick on your mind  
Pop a bass line, I'll go prop and provide  
My MC super, I'll go double on the right  
Go double on the right

Sometime  
Can you feel the pressure does unwind  
Sometime  
Sometime  
Through the day and through the night  
Sometime  
Sometime  
You can make our pressure does unwind  
Sometime  
Sometime  
It's for your spirit and your mind

Sometime

Baby let's recline
