Let it take you  
through the slowly  
Lie hands and there's more  
to let our love grow

If all time seems to  
Wait on feeling  
Because it's not  
How we should show our love

And I was easy love  
And I wasn't easy enough

Time and Space  
Peel away at angst  
Time and Space  
Learn to let go

Baby lean on me  
Help you lean  
Help you lean  
Help you lean on me  
Baby lean  
Baby lean  
Baby lean on me  
Got to lean  
Got to lean  
Got to lean on me

Are we joined by both  
Our hearts or limbs  
Only by arms length  
we'll sigh ever show

Let go  
Let go

And I was easy love  
And I wasn't easy enough

Time and Space  
Peel away at angst

Time and Space  
Just to let go

Baby lean on me  
Help you lean  
Help you lean  
Help you lean on me  
Baby lean  
Baby lean  
Baby lean on me  
Got to lean  
Got to lean  
Got to lean on me

And I was easy love  
And I wasn't easy enough  
And I was easy love  
And I wasn't easy enough
