TOROS

All right!

We're sweet!

We got no lip,

We can't be beat,

We're the best,

Our team's too cool!

We got the class to rock this school

Oh yeah!

TOROS AND CLOVERS

We bad!

We got the team,

We can't be had,

We're the best,

So score them points!

You win the game,

We'll rock this joint!

TOROS

Go Toros, go Toros, go, go, go Toros

CLOVERS

Go Clovers, go Clovers, go, go, go Clovers

TOROS

Our game is fierce,

And we are hip,

So get on back,

You can't touch this!

CLOVERS

Our game is bad,

We're with our peers,

So get that weak ass outta here!

Tryin' to steal our bit,

But you look like shit!

And we're the ones who're down with it!
