Oh Mickey  
You're so fine  
You're so fine  
You blow my mind  
Hey Mickey! Hey! Hey!  
Hey Mickey! Hey! Hey!

Oh Mickey  
You're so fine  
You're so fine  
You blow my mind  
Hey Mickey! Hey! Hey!  
Hey Mickey!

Oh Mickey  
You're so fine  
You're so fine  
You blow my mind  
Hey Mickey! Hey! Hey!  
Hey Mickey! Hey! Hey!

Oh Mickey  
You're so fine  
You're so fine  
You blow my mind  
Hey Mickey! Hey! Hey!  
Hey Mickey!

Hey, Mickey!  
You've been around all night  
And that's a little long  
You think you've got it right  
And I think you got it wrong  
But can't you say goodnight  
So you can take me home Mickey

Cuz when you say you will  
It always means you won't  
You're giving me the chills  
Baby, please baby, don't  
Everynight you still leave me all alone Mickey

\*Oh Mickey, what a pity  
You don't understand  
You take me by the heart  
When you take me by the hand  
Oh Mickey, you're so pretty  
Can't you understand  
It's guys like you Mickey  
Oh what you do Mickey, do Mickey  
Don't break my heart Mickey!

Hey Mickey!  
Now when you take me by the  
Who's ever gonna know  
Everytime you move I let  
A little more show  
It's something we can use  
So don't say no Mickey

So c'mon and give it to me anyway you can  
Anyway you wanna do it  
I'll treat you like a man  
But please baby please, don't leave me in the damned  
Mickey

\*Oh Mickey, what a pity  
You don't understand  
You take me by the heart  
When you take me by the hand  
Oh Mickey, you're so pretty  
Can't you understand  
It's guys like you Mickey  
Oh what you do Mickey, do Mickey  
Don't break my heart Mickey!

Oh Mickey  
You're so fine  
You're so fine  
You blow my mind  
Hey Mickey! Hey! Hey!  
Hey Mickey! Hey! Hey!

Oh Mickey  
You're so fine  
You're so fine  
You blow my mind  
Hey Mickey! Hey! Hey!  
Hey Mickey!

Oh Mickey  
You're so fine  
You're so fine

You blow my mind  
Hey Mickey! Hey! Hey!  
Hey Mickey! Hey! Hey!

Oh Mickey  
You're so fine  
You're so fine  
You blow my mind  
Hey Mickey! Hey! Hey!  
Hey Mickey!
