Oh Torance,
can't stand you're cheerleading squad.
But I love your pom-poms
i'd feed you bon-bons all night
1234

and im feelin fine, got butterflies inside, in your locker i
would hide
the truth, it's only your i see. and ur jus wot i need
i'd bring you flowers everyday, just to roll you in the
hay,
ill be just fine, im right on time, i no ill get my
waaaaaaaaay

And you're just what I need
and you're just what I need
not every thing turns out to be
as bad as cheerleading

and your just what i need
and your just what i need
not everything turns out to be
is that so hard to believe?
