Lets go toros x4

Alrite!!!

We're sweet! We got the whip! we can't be beat

We're the best, our team's too cool

we got the class to rock this school

(Clovers)

Oh yeah!!!

We bad! we got the team we can't be had

we're the best so score them points

you win the game, we'll rock this joint

(Toros)

Go Toros, Go Toros, Go, Go, Go Toros

(Clovers)

Go Clovers, Go Clovers, Go, Go, Go Clovers

(Clovers and Toros)

Our game is fierce and we are hip

So get on back you can't touch this

Our game is bad, we're without peer

So get that weakness outta here

(Clovers)

you're tryin to steal our bit

But you look like shit

But we're the ones who are down with it
