O Torrence-can't stand your cheerleading squad
but I love your pom-poms
I'd feed you bon bons all night
1-2-3-4
yeah

Yeah, you got me to feel all those butterflies inside
In your locker I would hide
The truth - it's only you I see
And you're just what I need
I'll bring you flowers every day
Just to roll you in the hay
Well I'm feelin' fine, I'm right on time
I know I'll get my way....

And you're just what I need
And you're just what I need
Not everything works as it seems
Is that so hard to believe?

So I went down to the record store
Picked my head up off the floor
The truth, its only you I see
And you're just what I need
And if its my world that you fear
Let me make this very clear
Well I'm feelin' fine, I'm right on time
I know I will get my way...
And you're just what I need
And you're just what I need
Not everything works as it seems
Is that so hard to believe?

Hah...woo ha!!...

I'll bring you flowers every day
Just to roll you in the hay
And I'm feelin' fine, I'm right on time
I know I'll get my way....
And you're just what I need
And you're just what I need

Not everything works as it seems
Is that so hard to believe?

And you're just what I need
And you're just what I need
Not everything works as it seems
Is that so hard to believe?
Yeah....
