(Out of control)

You're gone now, I feel fine
17 months, yeah I feel fine
What about you? I betcha been cryin'
I bet ya been goin' around town lyin'

I'm drivin' fast, I feel so fine
I got Prince singin' Hot Thing to me
I know every line
So I pulled up to the red light
Sittin' here in my car
I looked up to my right, and there you are
Sat there with some new girl, what is this?
(Don't panic, panic, Mutya don't drive erratic)
That's who has replaced me, what a diss
(Don't panic, panic, don't act too manic, manic)

It's a sure fine way to ruin my day
Just as soon as I'm on top of my life, there you are
again
But don't react now, you can't go back now
Don't panic, panic, Mutya, just look ahead now

Let's cut to it, my girl for lunch
I was feelin' on top of the world
And I just got a hunch

That you were sat behind my back
Didn't need to turn 'round
I felt sick at the thought
You're laughing loud

Sat there with some new girl, what is this?
(Don't panic, panic, Mutya don't drive erratic)
That's who has replaced me, what a diss
(Don't panic, panic, don't act too manic, manic)

It's a sure fine way to ruin my day
Just as soon as I'm on top of my life, there you are
again
But don't react now, you can't go back now

Don't panic, panic, Mutya, just look ahead now

(Out of control)

It's a sure fine way to ruin my day

Just as soon as I'm on top of my life, there you are
again

But don't react now, you can't go back now

Don't panic, panic, Mutya, just look ahead now
