7 years and 50 days,
The time is passing by,
Nothing in this world could be,
As nice as you and I,
And how could we break up like this,
And how could we be wrong,
So many years so many days and I still sing this song,

Now I run to you like I always do when i close my eyes i
think of u,
Such a lonely girl, suck a lonely world
When i close my eyes i dream,
I return to u like i always do wen i close my eyes i think
of u
suck a lonely girl such a lonely world wen i close my
eyes i dream
Of u
(INSTRUMENTAL)
