7 years & 50 days, the time is passing by,  
Nothing in this world could be, as nice as you and I,  
And how could we break, up like this,  
And how could we be wrong,  
So many years so many days, and I still sing my song.

Clewing on to you, like I always do,  
When I close my eyes I think of you,  
Such a lonely girl, such a lonely world,  
When I close my eyes I dream,  
I return to you, like I always do,  
When I close my eyes I think of you,  
Such a lonely girl, such a lonely world,  
When I close my eyes I dream, of you.

7 years and 50 days, now just look at me,  
Am I the girl I used to be, so then what do you see,  
And how could we break, up like this,  
And how we be wrong,  
So many years so many days, and I still sing my song

Clewing on to you, like I always do,  
When I close my eyes I think of you,  
Such a lonely girl, such a lonely world,  
When I close my eyes I dream,  
I return to you, like I always do,  
When I close my eyes I think of you,  
Such a lonely girl, such a lonely world,  
When I close my eyes I dream, of you.

7 years & 50 days, the time is passing by,  
Nothing in this world could be, as nice as you and I,  
And how could we break, up like this,  
And how could we be wrong,

Clewing on to you, like I always do,  
When I close my eyes I think of you,  
Such a lonely girl, such a lonely world,  
When I close my eyes I dream,  
I return to you, like I always do,  
When I close my eyes I think of you,

Such a lonely girl, such a lonely world,  
When I close my eyes I dream, of you.
