Seven years and fifty days  
The time is passing by  
Nothing in this world could be  
As nice as you and I

And how could we break up like this  
And how could we be wrong  
So many years, so many days  
And I still sing my song

Now I run to you  
Like I always do  
When I close my eyes  
I think of you  
Such a lonely girl  
Such a lonely world  
When I close my eyes  
I dream

I'll return to you  
Like I always do  
When I close my eyes  
I think of you  
Such a lonely girl  
Such a lonely world  
When I close my eyes  
I dream of you

Seven years and fifty days

Now just look at me  
Another girl I used to be  
So then what do you see

And how could we break up like this  
And how could we be wrong  
So many years, so many days  
And I still sing my song

Now I run to you  
Like I always do  
When I close my eyes

I think of you  
Such a lonely girl  
Such a lonely world  
When I close my eyes  
I dream

I'll return to you  
Like I always do  
When I close my eyes  
I think of you  
Such a lonely girl  
Such a lonely world  
When I close my eyes  
I dream of you
