There's an everlasting storm  
Blowing trough the night  
I feel love, I feel hate  
Right by my side...  
Tears like rain fallin down,  
Don't know what to do  
I remember those days,  
Can't get over you...  
You decided to leave  
And told me nothing but lies  
Got no reason to live,  
I need you by my side  
There so many things,  
You didn't come up to  
I'm surrounded by pain,  
Can't get over you ...

So much time passing by,

Since you went away  
I felt sun, touched the spring  
And saw autumns gray.  
Tears like rain falling down,  
Don't know what to do  
I remember those days,  
Can't get over you...  
So I'm still searching for  
A certain place to hide  
I feel love, I feel hate,  
There's no end in sight.  
Most of all i can't wait,  
To come back to you  
I'm surrounded by pain,  
Can't get over you
