You can light fire in ym sun  
Feel so high till I burn my bones  
Kiss me and I will stand free  
Like the drug you m, ake me fly  
Promise me baby when I am high  
Till I am ... is dangerous  
When I look in your eyes  
Is dangerous all your beautiful lie  
You are so dangerous  
Rap me in with your touch  
Is you are dangerous feel you on my skin  
Is so dangerous makes me wanna give in  
You are so dangerous  
Rap me in with your touch  
All your games play me for a foul  
All your cars I will know the rules  
Watch me lose all I ever had  
easy play you can watch me drawn  
Love the chase when is not crowed  
One more girl for your tragedy  
Watch me bleed  
... is dangerous  
When I look in your eyes  
Is dangerous all your beautiful lie  
You are so dangerous  
Rap me in with your touch  
Is you are dangerous feel you on my skin  
Is so dangerous makes me wanna give in  
You are so dangerous  
Rap me in with your touch  
... is dangerous  
When I look in your eyes  
Is dangerous all your beautiful lie  
You are so dangerous  
Rap me in with your touch  
Is you are dangerous feel you on my skin  
Is so dangerous makes me wanna give in  
You are so dangerous  
Rap me in with your touch  
You can dry all the tears I have cried  
Cause . just like you just like you

... is dangerous  
When I look in your eyes  
Is dangerous all your beautiful lie  
You are so dangerous  
Rap me in with your touch  
Is you are dangerous feel you on my skin  
Is so dangerous makes me wanna give in  
You are so dangerous  
Rap me in with your touch  
You are so dangerous
