Poison

(Pause)

Your cruel deep eyes
Your blood like ice
One look could kill
My pain your thrill

I wanna love you, but I better not touch
I wanna hold you, but my senses tell me to stop
I wanna kiss you, but I want it too much
I wanna taste you but your lips are venomous poison
You're poison running through my veins
You're poison; I don't wanna break these chains

Your mouth so hot
Your web I'm caught
Your skin so wet
Black lace on sweat

I hear you calling and its needles and pins
I wanna hurt you just to hear you screaming my name
Don't wanna touch you, but you're under my skin
I wanna kiss you but your lips are venomous poison
You're poison running through my veins
You're poison; I don't wanna break these chains

Running deep inside my veins
Poison burning deep inside my veins
One look could kill
My pain your thrill

I wanna love you, but I better not touch
I wanna hold you, but my senses tell me to stop
I wanna kiss you, but I want it too much
I wanna taste you but your lips are venomous poison
You're poison running through my veins
You're poison; I don't wanna break these chains
