Remember the time 1989
when i grew up to see the sign (or sun)
without you
I can't breath

I look upon
to see the stars
the Milky Way
and Moon and Mars
I miss you
by my side

Who will ever know the way
if I came back
to hear you say
I need you in my life

Holding on
It's not too late
forget the past
try to create
A feeling that can't wait

If you want
I know it's not too late

remember the time 1989
when i grew up to see the sign/sun?
without you
I can't breath

I look upon
to see the stars
the Milky Way

Who will ever know the way

It's not too late

try to create
A feeling
that can't wait

If you want
I know is not to late
