Remeber the time 1989  
when I grew up to see the sign  
without you  
I can't breath

I look upon  
to see the stars  
the Milky Way  
the Moon and Mars  
I miss you  
by my side

Who will ever know the way  
if I came back  
to hear you say  
I need you  
in my life

Holding on  
It's not too late  
forget the past  
try to create  
A feeling  
that can't wait

If you want  
I know it's not too late
