Forever in silence
Forever in love
Did you cause my sadness
You're never enough
Believe that it's over
Before it began
Underneath my emotion
It comes to an end

Woh oh oh oh nothing lasts forever
Woh oh oh oh does it really matter
Woh oh oh oh nothing lasts forever
Woh oh oh oh does it even matter

I'll never ever forget your pretty eyes
And I will always believe your by my side
I'll never ever forget your beauty smile
I'll wish you never have passed into the light

Woh oh oh oh nothing lasts forever
Woh oh oh oh does it really matter
Woh oh oh oh nothing lasts forever
Woh oh oh oh does it even matter

Forever in darkness
Forever once more
Did you cause my weakness
You're all I adore
Believe that it`s over
It's over at all
Underneath my emotions
My lonley heart falls

Woh oh oh oh nothing lasts forever
Woh oh oh oh does it really matter
Woh oh oh oh nothing lasts forever
Woh oh oh oh does it even matter

I'll never ever forget your pretty eyes
And I will always believe your by my side
I'll never ever forget your beauty smile
I'll wish you never have passed into the light

Woh oh oh oh nothing lasts forever
Woh oh oh oh does it really matter
Woh oh oh oh nothing lasts forever
Woh oh oh oh does it even matter
