### "Run away"

I wanna know the structure of your heart  
Why do you tear my broken soul apart.  
Is it a dream or my reality ?  
Love comes without a live-time warranty.

Oh, oh, oh, I want to run away  
You told me nothing else but lies,  
I?m singing...  
Oh, oh, oh, I try to run away  
Cause I just want to live my life  
I?m singing...  
Oh, oh, oh, I want to run away  
As long as you are by my side  
I?m singing...  
Oh, oh, oh, I try to run away  
But I can?t find a place to hide

No i?m not your f\*\*\*\* second choice  
No i?m not turning down my voice  
Until you understand there?s nothing to command  
Until you realize that we could touch the skies  
Can you feel it?s out of control can you feel there?s  
nothing at all.

Oh, oh, oh, I want to run away  
You told me nothing else but lies,  
I?m singing...  
Oh, oh, oh, I try to run away  
Cause I just want to live my life  
I?m singing...  
Oh, oh, oh, I want to run away  
As long as you are by my side  
I?m singing...  
Oh, oh, oh, I try to run away  
But I can?t find a place to hide
