"When Love Lives In Heaven"

I can still remember
The way life used to be.
When everything was simple
The days were endlessly.
Recalling the emotions
On my distant memories.
We didn't know what love was
But still we did believe.

When love lives in heaven
Why does it hurt so bad
Why does it make me sad
All the tears in my eyes.
When love lives in heaven
Why do the angels smile
Tell me the reason why
All the tears in my eyes
When love lives in heaven

We were swimming in the ocean
Dancing in the rain.
We sitting on the rooftop
And reaching for the stars.
Those days are gone forever
But the legend never leaves
We felt so free
But emptiness is all that's left in me

When love lives in heaven
Why does it hurt so bad
Why does it make me sad
All the tears in my eyes.
When love lives in heaven
Why do the angels smile
Tell me the reason why
All the tears in my eyes
When love lives in heaven

But you could be the one
Who turns my world around

If i could only turn to you
When love lives in heaven
Why does it hurt so bad
Why does it make me sad
All the tears in my eyes.
When love lives in heaven
Why do the angels smile
Tell me the reason why
All the tears in my eyes
When love lives in heaven
