Hello it's me, it's me boy  
I thought about us for a long, long time  
Maybe I think too much, but somthin' is wrong  
Maybe I shouldn't think of you as mine  
Seein' you, you babe  
Seein' anyone as much as I do you  
I take for granted that you're always there  
I take for granted that you just don't care  
Sometimes I can't help seein all the way through  
It's important to me  
That you know you are free  
See I never want to make you change for me babe  
Don't change, don't change boy  
Think of me  
You know I'd be with you if I could  
I'd come around to see you once in awhile  
If you ever need a reason to smile  
I'll stay awhile if you think I should  
It's important to me  
That you know you are free  
See I never want to make you change for me babe  
Don't change, don't change boy
