

## Groove Theory "Time Flies"

Visit "[Time Flies](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Oh, how time flies, since we said hi  
But now it's time we said goodbye  
Oh, how time flies, since we said hi  
But now it's time we said goodbye

Here we are, look how long it's been  
We come far and I remember when  
We were young havin' fun, dancin' 'til the dawn  
Now we're grown on our own, everybody's movin' on

Everything is changin'  
Nothing stays the same  
Even though we're leavin'  
We'll be comin' back again

Oh, how time flies, since we said hi  
But now it's time, we said goodbye  
Oh, how time flies, since we said hi  
But now it's time, we said goodbye

The loves, the laughs, the good ones and the bad  
My precious memories of the times we had  
Chances are, we'll go far, I know our day will come  
Never lie, don't deny just remember where you're from

Everything is changin'  
Nothing stays the same  
Even though we're leavin'  
We'll be comin' back again

Oh, how time flies, since we said hi  
But now it's time, we said goodbye  
Oh, how time flies, since we said hi  
But now it's time, we said goodbye

Time it flies on by, you know it, baby  
Time it flies on by  
You're on my mind, you're in my heart  
You're on my mind, on my mind

Oh, how time flies, since we said hi  
But now it's time, we said goodbye

Oh, how time flies, since we said hi  
But now it's time, we said goodbye

Oh, how time flies, since we said hi  
But now it's time, we said goodbye  
Oh, how time flies, since we said hi  
But now it's time, we said goodbye

Oh, how time flies, since we said hi  
But now it's time, we said goodbye  
Oh how time flies, since we said hi  
But now it's time, we said goodbye

Oh, how time flies, since we said hi  
But now it's time, we said goodbye
