Except the time theyre ...everyone
I remember back the times we we were young
Got to chase out all the fun
Blood beach

I remember back the times we were young
Except the time were...everyone
Got to chase out all the fun
Blood beach

Everythng was normal yesterday
But last night it broke into ...
And everybody ...to the clouds and said
Steppin on a beach that it isnt there
I was ready for the witch crashin on my head

I remember back the times we were young
Except the time were...everyone
Got to chase out all the fun
Blood beach

I remember back the times we were young
Except the time were...everyone
Got to chase out all the fun
Blood beach
