"Daughter Of Frankenstein"

She's the Daughter of Frankenstein, and she's
everybody's dream.
She's the Daughter of Frankenstein.
She ain't got stitches, she's got seams.
She's the Daughter of Frankenstein, and she's the real
thing.
All right.
She's the Daughter of Frankenstein.
She's got all the right parts in all the right places.
She's good at filling negative spaces.

She put all those smiles on all those faces- all right.
Try not to love her: I bet you can't.
Try not to love her: I bet you can't.
She's a wonder to behold: she can charm and enchant.
She's a wonder to behold: she can charm and enchant-
all right.
She's the Daughter of Frankenstein.
