Don't go out into the rain
You're gonna melt, sugar, oh, no
Come and sit here by the fire
For a spell, sugar, oh, ho

Please take your shoes off
And make yourself comfortable
The weather's miserable
And you're so kissable

It's getting late, why don't you stay?
It's after one, we've just begun
She's got to go
Oh, no, no, no, please don't go

Don't go out into the rain
You're gonna melt, sugar, oh, no
Come and sit here by the fire
For a spell, sugar, oh, ho

The house is ours
Now that everybody's gone
And while the telly's on
We should be having fun

It's getting late, why don't you stay?
It's after one, we've just begun
She's got to go
Oh, no, no, no, please don't go

Don't go out into the rain
You're gonna melt, sugar, oh, no
Come and sit here by the fire
For a spell, sugar, oh, ho

It's getting late, why don't you wait?
It's after one, we've just begun
She's got to go
Oh, no, no, no, don't be insane
