"Fun In The Dark"

If you're not busy for the next few days, come along
with me & throw some time away.

Bring along a blanket and something to drink.

Living in a blackout living on the brink.

Fun in the dark.

Driving in the darkness piling in our cars.

Sleeping in the swamp & counting all the stars.

Running 'round on rooftops & through Forest Lawn.

Having people wonder what the hell you're on.

Fun in the dark.

If you're not busy for the next few days, come along
with me & we can blow this place.

Nobody is sure how this is gonna end.

All you need is nothing so come on my friend.

Fun in the dark.
