Hello hello
I love you so
And it all began
When I ran
Into you
Not so long ago
Since that day
I wanted to say hello
Hello
Would you like to go
With me
Where we
Can watch
The hours go by
'Cause you're someone
I'd like to get to know
Don't really know your name
I, I couldn't care less
I like what I already see
Whatever sign you are
What's your address
Don't really matter much to me
Just wanna say
Hello hello

I love you so
And it all began
When I ran
Into you
Not so long ago
Since that day
I wanted to say hello
Hello
I still don't know your name
I couldn't care less
I like what I already see
Whatever sign you are
What's your address
Don't really matter much to me
Just want to say
Hello hello
I love you so

And it all began
When I ran
Into you
Not so long ago
Since that day
I wanted to say hello
Hello
