The silicon chip inside her head  
Gets switched to overload,  
And nobody's gonna go to school today,  
She's going to make them stay at home,  
And daddy doesn't understand it,  
He always said she was as good as gold,  
And he can see no reason  
Cos there are no reasons  
What reason do you need to be shown

Tell me why  
I don't like Mondays  
I want to shoot  
The whole day down

The Telex machine is kept so clean  
As it types to a waiting world,  
And Mother feels so shocked,  
Father's world is rocked,  
And their thoughts turn to  
Their own little girl  
Sweet 16 ain't that peachy keen,  
No, it ain't so neat to admit defeat,  
They can see no reasons  
Cos there are no reasons  
What reason do you need to be shown

Tell me why  
I don't like Mondays  
I want to shoot  
The whole day down

All the playing's stopped in the playground now  
She wants to play with her toys a while  
And school's out early and soon we'll be learning  
And the lesson today is how to die,  
And then the bullhorn crackles,  
And the captain crackles,  
With the problems and the how's and why's  
And he can see no reasons  
Cos there are no reasons

What reason do you need to die

The silicon chip inside her head  
Gets switched to overload,  
And nobody's gonna go to school today,  
She's going to make them stay at home,  
And daddy doesn't understand it,  
He always said she was as good as gold,  
And he can see no reason  
Cos there are no reasons  
What reason do you need to be shown

Tell me why  
I don't like Mondays  
I want to shoot  
The whole day down
