I don't mind the quiet nights.  
Don't mind the lack of fights.  
Mistelling of the truth.  
Accusations without proof.  
And I'd rather be alone, and I'd rather be alone, and I'd  
rather be alone than be with you.  
I don't miss the stupid games.

The calling of the names.  
I don't mind the atmosphere of you not being here.

And I'd rather be alone, and I'd rather be alone, and I'd  
rather be alone than be with you.  
I don't mind the quiet nights.  
Don't mind the lack of fights.

I don't mind the atmosphere of you not being here.  
And I'd rather be alone than be with you.
