Been working my ass off
It's time for fun
Wanna go to the moon
Wanna go to the sun
Tomorrow is when
We get things done
Right now it's time
To take care of number one yeah
The kids are hopped up
They're ready to go
They like their music fast
Sometimes they like it slow
But if they can't do

The best dance I know
Then I'm going to the Island of Pogo Pogo
All right
The kids on Pogo
Know how to dance
They do it up right
And they make romance
In the Western World
It's at a Ghoulies show
Where they do like they do on the Island of Pogo Pogo
All right
