I'm not tired and I'm not bored and I'm not broken and
I'm not sore.

You ask me what I want?

It's more!

Let's do it again.

I'm in the mood, you're in the mood, we've got the
proper attitude.

I don't care if you're clothed or nude, let's do it again.

Let's go back to old square one, begin where we
began.

Let's go out and have some fun, let's do it again.

Treat each time like it's the first, let the energy dam
burst.

It's a blessing not a curse, let's do it again.
