[Originally by New York Dolls]

Well it's a lonely planet joy when
When the song from your other boys
That's when I'm a lonely planet boy
I'm tryin', oh baby for your love

Whoa, whoa, whoa, yeah

You pick me up
Your outta drivin' in your car
When I tell you where I'm goin'
You're always tellin' me "It's too far!"

But how could you be drivin'
Down by my home
When you know, I ain't got one
And I'm, I'm so all alone

Whoa, whoa, whoa, yeah

Well it's a lonely planet joy when
When the song from your other boys
That's when I'm a lonely planet boy
I'm tryin', oh can't you see I'm cryin'
Oh baby for your love

Whoa, whoa, whoa, yeah

Whoa, whoa, whoa, yeah

Oh can't you hear me callin'
I'm a thousand miles away
And I don't wanna stay here
I'm thinkin' words I got to say

And I wanna be there with you
And I know what to bring
I remember, from the days
You got over, everything

Whoa, whoa, whoa, yeah

Well it's a lonely planet joy when
When the song from your other boys
That's when I'm a lonely planet boy
I'm tryin', oh can't you see I'm cryin',
Oh baby please I'm dyin'
Oh baby for your love

Whoa, whoa, whoa, yeah
Whoa, whoa, whoa, yeah
Whoa, whoa, whoa, yeah
