Well I never felt more like singing the blues
'Cause I never thought that I'd ever lose
Your loving
Why'd you do me this way
Well I never felt more like cryin' all night
'Cause everything's wrong
And nothing ain't right
Without you
Got me singing the blues
The moon and the stars
No longer shine
The dream is gone
I thought it was mine
There's nothin' left for me to do
But cry over you
Well I never felt more like runnin' away

Why should I go when I couldn't stay
Without you
Got me singing the blues
The moon and the stars
No longer shine
The dream is gone
I thought it was mine
There's nothin' left for me to do
But cry over
Well I never felt more like runnin' away
Why should I go when I couldn't stay
Without you
Got me singing the blues
Got me singing the blues
Got me singing the blues
