Can you hear the silence?  
Can you see the dark?  
Can you fix the broken?  
Can you feel, can you feel my heart?

(Can you feel my heart)

Can you help the hopeless?  
Well, I'm begging on my knees  
Can you save my busted soul?  
Will you wait for me?

I'm sorry brothers, so sorry lover  
Forgive me father, I love you mother  
Can you hear the silence?  
Can you see the dark?  
Can you fix the broken?  
Can you feel my heart?  
Can you feel my heart?  
(Can you feel my heart)

(Can you feel my heart)

I'm scared to get close and I hate being alone  
I long for that feeling to not feel at all  
The higher I get, the lower I'll sink  
I can't drown my demons, they know how to swim  
[X3]

(Can you feel my heart)

Can you hear the silence?  
Can you see the dark?  
Can you fix the broken?  
Can you feel, can you feel my heart?
