Believe in the one

Hallelujah, Well I'm saved  
Just (another scripture 20:18?)

It's a miracle, I'll be born again  
As the Lord as my Shepard  
I will find a way

Fuck your faith, no ones gonna save you  
Fuck your faith

There's no hope for us  
We speak in tongues, blacker than the sun  
No death can touch the crooked young

There's no hope for us  
We speak in tongues, blacker than the sun  
No death can touch the crooked young

The crooked young

We don't sleep, we don't eat  
We speak in tongues  
We can't die, we're dead inside  
No death can touch the crooked young

Believe in the one

Fuck yourself  
The faceless won't save you  
The clouds will eat your fucking prayers

There's no hope for us  
We speak in tongues, blacker than the sun  
No death can touch

Hallelujah  
I say it's a miracle, thank you Jesus  
Hallelujah, I say  
Fuck your faith, fuck your faith
