We will never sleep  
Cause sleep is for the weak  
And we will never rest  
Till we're all fucking dead

We will never sleep  
Cause sleep is for the weak  
And we will never rest  
Till we're all fucking dead

We will never sleep  
Cause sleep is for the weak  
And we will never rest  
Till we're all fucking dead

We will never sleep  
Cause sleep is for the weak  
And we will never rest  
Till we're all fucking dead

We will never sleep  
Cause sleep is for the weak  
And we will never rest  
Till we're all fucking dead

We will never sleep  
Cause sleep is for the weak  
And we will never rest  
Till we're all fucking dead

I refuse  
I refuse  
I refuse  
To close my eyes  
I have loved  
And I have lost  
I have turned  
And I have tossed  
I have listened  
I have watched  
I have gave into this for long enough  
I have lost and I have loved

Sleep had stolen far too much  
So don't close your eyes  
Not just yet  
Sleep is just a cousin of death

I've said it before and I'll say it again  
If you think you're alive  
Then you're better off dead  
I've said it before and I'll say it again  
If you think you're alive  
Then you're better off... (dead)  
I've said it before and I'll say it again  
If you think you're alive  
Then you're better off dead  
I've said it before and I'll say it again  
If you think you're alive  
Then you're better off... (dead)

I have loved  
And I have lost  
I have turned  
And I have tossed  
I have listened  
I have watched  
I have gave into this for long enough  
I have lost and I have loved  
Sleep had stolen far too much  
So don't close your eyes  
Not just yet  
Sleep is just a cousin of death

So throw your diamonds in the sky  
We'll stay gold forever  
I can promise you one thing  
So throw your diamonds in the sky  
We'll stay gold forev...

I can promise you one thing  
Death will take us all  
I can promise you one thing  
You will die alone  
We're all going to hell  
We may as well go out in style  
Death is a promise  
And your life is a fucking lie

We will never sleep  
Cause sleep is for the weak  
And we will never rest  
Till we're all fucking dead  
We will never sleep

Cause sleep is for the weak  
And we will never rest  
Till we're all fucking dead

I refuse  
I refuse  
I refuse  
To close my eyes
