Let's fuck, till the suns comes up
because we haven't got long, but we've got enough
A night to remember, a day to forget (Don't stop till we pirouette)
I'm no saint you're no martyr
one more night playing heart piñata

How do you say goodbye,
When you've hardly said hello?
The only way we know,
The only way we know,
The only way we know,
The only way we know.
How do you say goodbye,
When you've hardly said hello?

Let's fuck, fuck, fuck, fuck, fuck!
Let's fuck till our hearts give up.
It won't be long.
A night to remember, a day to forget.
If our eyes were diamonds we'd be rich.
Your voice makes my heart skip beats,
So, keep quiet before it quits on me
Your voice makes my heart skip beats,
So, keep quiet before it flat lines.
Before it flat lines.

I'm dead, tell them all we're dead
We can hold the wake right here in this bed.
Sunk into you; tangled in sheets.
Buried in blankets six foot deep.

Let's fuck, till the suns comes up
Because we haven't got long but we've got enough
a night to remember a day to forget (don't stop till we pirouette)
I'm no saint you're not martyr
One more night playing heart piñata ,

How do you say goodbye?
How do you say goodbye,
When you've hardly said hello?
How do you say goodbye,
When you've hardly said hello

We're young and in love,
Heart attacks waiting to happen,

So come a little closer, tell me it's all in our heads.
We're young and in love,
Heart attacks waiting to happen,
So come a little closer, tell me those three little words.

We're young and in love,
Heart attacks waiting to happen,
So come a little closer, tell me it's all in our heads.
We're young and in love,
Heart attacks waiting to happen,
So come a little closer, tell me those three little words.

We're young and in love,
Heart attacks waiting to happen,
So come a little closer, tell me it's all in our heads.
We're young and in love,
Heart attacks waiting to happen,
So come a little closer, tell me those three little words.
