Started off as a one night stand. Lingered to a fling.
The sirens and the surgeons didn't seem to mean a thing.
Hide your fangs all you want, you still need the blood.
Tell us that it's different now, you're up to no good.

Take my hand, show me the way, we are the children
that fell from grace.
Take my hand, show me the way, we are the children
who can't be saved.

One more nail in the coffin.
One more foot in the grave.
One more time I'm on my knees, as I try to walk away.
How has it come to this?

I've said it once. I've said it twice.
I've said it a thousand fucking times.
That I'm ok, that I'm fine.
That it's all just in my mind.
But this has got the best of me.
And I can't seem to sleep.
It's not because you're not with me. It's because you
never leave.

You say this is suicide?
I say this is a war.
And I'm losing the battle.
Man down.

Is this what you call love?
(This is a war I can't win).

One more nail in the coffin.
One more foot in the grave.
One more time I'm on my knees, as I try to walk away.
Everything I loved, became everything I lost.

I've said it once. I've said it twice.
I've said it a thousand fucking times.
That I'm ok, that I'm fine.
That it's all just in my mind.

But this has got the best of me.
And I can't seem to sleep.
It's not because you're not with me. It's because you
never leave.

Every second. Every minute. Every hour. Every day.
It never ends. It never ends.
Every second. Every minute. Every hour. Every day.
It never ends. It never ends.
Every second. Every minute. Every hour. Every day.
It never ends. It never ends.
Every second. Every minute. Every hour. Every day.
It never ends. It never ends.
