Goodbye my friend, goodbye my love, you're in my heart

It was preordained that we should part,  
And be united by and by, united by and by.  
Goodbye no handshake to endure.  
Now there's nothing.

It was written in blood  
It was written in blood  
It was written in blood  
Oh god, written in blood  
It was written in blood  
It was written in blood  
Oh my god, it was written in blood

Let's have no sadness, furrowed brow.  
There's nothing new in dying now. [x2]  
Though living is no newer... [x2]  
And it was written in blood.

It was written in blood  
It was written in blood  
It was written in blood  
Oh my god, it was written in blood  
It was written in blood  
It was written in blood  
Oh my god!  
It was written... in blood  
On a suicide note

Like roses, we blossom then die [x3]  
Like roses, we've fallen apart [x2]  
Like roses, we blossom then die [x3]  
Like roses, we've fallen apart [x2]

Though living is no newer [x2]

(It was written in blood on a fucking suicide note, the night before he died)

It was written in blood  
It was written in blood

It was written in blood  
My god, written in blood  
It was written in blood  
It was written in blood  
Oh my god!  
It was written... in blood

Like roses, we blossom then die  
Like roses, we blossom then die  
We've fallen apart (Fallen apart! )  
We've fallen apart (Fallen apart! )  
Fallen apart  
We fall, like roses

Like roses [x2]  
Roses... [x2]  
Like roses... [x2]
