We stare at broken clocks, the hands don't turn  
anymore  
The days turn into nights, empty hearts and empty  
places  
The day you lost him, I slowly lost you too  
For when he died, he took a part of you

No time for farewells, no chances for goodbyes  
No explanations, no fucking reasons why  
I watched it eat you up, pieces fallen on the floor  
We stare at broken clocks, the hands don't turn  
anymore

If sorrow could build a staircase, or tears could show  
the way  
I would climb my way to Heaven, and bring him back  
home again  
Don't give up hope my friend, this is not the end

We stare at broken clocks, the hands don't turn  
anymore  
The days turn into nights, empty hearts and empty  
places  
The day you lost him, I slowly lost you too  
For when he died, he took a part of you

Death is only a chapter  
So let's rip out the pages of yesterday  
Death is only a horizon  
And I'm ready for my sun...  
I'm ready for my sun to...  
I'm ready for my sun...  
I'm ready for my sun to set

This is suicide season!

If sorrow could build a staircase, or tears could show  
the way  
We would climb our way to Heaven, and bring him  
home again  
If only sorrow could build a staircase, or tears could

show the way  
We would climb our way to Heaven, and bring him  
home again

If sorrow could build a staircase, or tears could show  
the way  
We would climb our way to Heaven, and bring him  
home again  
We would do anything to bring him back to you  
We would do anything to end what you're going  
through

If sorrow could build a staircase, or tears could show  
the way  
I would climb my way to Heaven, and bring him home  
again  
I would do anything to bring him back to you  
Because if you got him back, I would get back the  
friend that I once knew
