Well, I did see a man on a bicycle
Riding through heavy snow
His wife said, hey kids what the heck is he doing,
Everyone laughed till they cried
Fait vos jeux madam
(and) Hey monsieur, place your bets
Love is a sure thing and these dice never lie
Fait vos jeux madam
Hey monsieur, I can bet
10 to 1 you're as crazy as I
Well, I did see my father walking
Walking without any clothes down by the banks of that
big Red Deer River

Holding an old fishing pole
My father was a man
Once ran an army, he loved his children
But his duty came first
Till one day when I bought him a bicycle he said,
"kiss my ass, I'm as free as a bird"
Fait vos jeux, madam
(and) Hey monsieur, place your bets
Love is a sure thing and these dice never lie
Fait vos jeux madam
(and) Hey monsieur, I can bet
10 to 1 you're as crazy as I
