Like Bob say, young Dread we're more than numbers
While de across the street human rights slayers

Ratant crow swamp dem feed
Life is calling out to the
They who call him so Jah seh
Knights of the moonlight war-in de

Oh, true Jah you better do the right
Martyr you better heed the right
Conscience you better know the right
Moses and they that crow

Came in cloaked as they with a pack of guns and why
I don't fraternize up riverside

Ratant Crow swamp them feed
Life is calling out to the
Even if they don't want to know

But, but, but, but, but
But, but, but, but, but
But, but, but, but by day I see them
I see them passing by
Life is broken once again

And if they say Jah plan, Jah plan tonight yeah
Today that just might be, to much to carry

Ratant crow swamp them feed
Rain a cast him out a street
They think that I'll crumble beneath pressure
But I remember they fool Empire

Come! Man if they want to
Hide! Man if they want to
Hide! Man if they want to
I! Man if they want to

Ratant Crow upon the bridge, with a pack a guns and
why?

I don't fraternize up riverside

Ratant Crow

One heart!
One Jah-Jah!
One heart!
One Jah-Jah Jah-Jah Jah
Na fear na haffe fear the one
Na trapping Jah I feel it high
Na fear na haffe fear the one
Na trapping Jah I feel it high
Relax in the ghetto!
Out of conflicts lift them high
Relax in the ghetto
With na stick nor gun

Almighty Dread Jah plan, Jah plan tonight yeah
Today that just might be, to much to carry

Ratant Crow swamp them feed
Life is calling out to the
Break his heart into the top of mount Sinai
Until that table turn, the mighty man a tumble down
A tumble down, he tumble down, tumble down

(Sax solo)
