(feat. Pablo Moses and Ijahman)

Oh man they use to laugh and call him as Judas come  
Oh man they chant upon a stone for free-ee-ee and so  
shall it be  
Oh they laugh upon and rob him a so called friend  
Oh man they use to laugh and call them for free-ee  
with no dignity

Live for freedom, I and I art free, oh Jah

Jah! The almighty I  
Free the people free the world

Oh man they laugh upon and rock him a so Jah seh  
Man they use to laugh and call de man free-ee inna  
society  
Look how they rock upon a ship like the pirate at night  
Oh man they used to laugh and call them free
