Pa, pa, pa, pa, pa, pa, pa, pa, pa, pa  
Pa, pa, pa, pa, pa, pa, pa, pa, pa, pa

Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa

Yeah, we found a new way to rock it while we doin' our  
thing  
And bringing acapella fellas and my ladies that sing  
We clap hands like, what, what we doing is a new form  
of music  
That got you getting out of your seats

Let it be known that your favorite crew is up in the spot  
I think a chapter to life with every show that we rock  
We worked hard for this position and we ain't gonna  
stop  
'Cause we busy makin' moves with every lyric we drop

Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, now throw ya hands up

Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, now throw ya hands up

Let me see, let me see, all of you with hands up  
Everybody we're doing this in the name of  
The one who took us from nothing but now we came up

Now hold on, we rockin' with ya'll move to the song  
It's been a while since we gave y'all something to rock  
on  
Two emcees, a vocalist we've been sent on a mission  
To reach the people who been tired of living religion

He's so divine that our rhymes shine solely for Him

And so we kindly remind every person within  
You'll get your time in the lime if you find it in Him  
And every line that you sign, never sell out to win

You put the rhythm in my feet so I could dance  
Now all I wanna do is clap my hands  
You put a song in my heart now I can sing

Let this music lead you on  
To that place where you belong  
Where we could be free to lift him up  
And keep it going on and on

Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, now throw ya hands up

Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, now throw ya hands up

Everybody if you are free come follow me  
Clap, clap ya hands  
Everybody if you are free come follow me  
Clap, clap ya hands

Everybody if you are free come follow me  
Clap, clap ya hands  
Everybody if you are free come follow me  
Now throw ya hands up

So underrated, clap hands for those who made it  
And we clap for every single person that's hated  
Because we clap for the purpose that is greater than us  
So bring the chorus back, clap if you vibin' with us,  
come on

Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, now throw ya hands up

Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, clap, clap ya hands  
Pa, pa, pa, pa, pa, now throw ya, now throw ya hands  
up

Everybody if you are free come follow me

Clap, clap ya hands  
Everybody if you are free come follow me  
Clap, clap ya hands

Everybody if you are free come follow me  
Clap, clap ya hands  
Everybody if you are free come follow me  
Now throw ya hands up

Everybody if you are free come follow me  
Clap, clap ya hands  
Everybody if you are free come follow me  
Clap, clap ya hands

Everybody if you are free come follow me  
Clap, clap ya hands  
Everybody if you are free come follow me  
Now throw ya, now throw ya hands up
