I've seen days when it seems
Like my night won't end
Every dream that I had
Has been lost in the wind

But Your words brought me back to the truth
Life begins and will end with You
So I trust and my life will be safe
In Your hands

As I stand in the eye of the storm
It's Your love that keeps guide me home
I'm fearless
I'm fearless

I felt the fear as I stand before the giant
Three stones trembling in my hand
And in the end I don't whisper from the army
No one believing this was in your plan

But Your words brought me back to the truth
Life begins and will end with You

As I stand in the eye of the storm
It's Your love that keeps guided me home
I'm fearless
I'm fearless

Through the dark You're my light and salvation
Only thing me would trust in You, Lord
I'm fearless
I'm fearless

If You're with me, who can be against me?
I've have no reason to fear
If You're with me, who can be against me?
I know You keep me near
If You're with me, who can be against me?
I've have no reason to fear
If You're with me, who can be against me?
I know You keeping me near

As I stand in the eye of the storm
It's Your love that's guiding me home
I'm fearless
I'm fearless

Through the dark You're my light and salvation
Only thing me would trust in You, Lord
I'm fearless
I'm fearless
