Let me see you dance, Let me, let me see you dance x2  
(Parties on the flo then thatâ€™s where I want to go)  
Freq freq freq, freq Dat x2

Manuel:

Tonight is our time got a swagger so magnetic  
We plug into your mind so the chemistry feels electric  
So while we here letâ€™s make the most of this  
situation  
Dance like no one can affect us  
This momentâ€™s anticipation

I can see the DJ wanting to remix another track  
But the fact is every time, he rewinds it and plays it  
back  
Every hand is in the air we surrender to where  
weâ€™re at  
Itâ€™s the element of this music, anatomy of this track

Chorus:

Freq Dat  
Rhythm, track, bass, drums, lights, sound, here we  
come x3

Bianca:

I hear the beat and I move move like I ainâ€™t got no  
sense  
You canâ€™t break it down down on the floor (b bring it  
back up)  
Hold up let me catch my breath  
Itâ€™s a rush but I love it  
Swag on so donâ€™t think nothing of it  
Doing my thing with my high heels on keep playing my  
song til the break of dawn

Manuel:

Yeah this one for the flo  
Everywhere we go everybody wanna know  
How we boom that with a boom boom flow  
With a little bit of swagger with a lotta bit of show  
If you wanna feel the bass then you gotta bring it low  
Cuz the way we do what we do got a rhythm of itâ€™s

own

Ain't no need to copy a flow cuz little do you know  
I can flip it and rip it so let's go

Chorus:

Freq Dat

Rhythm, track, bass, drums, lights, sound, here we  
come x3 (We gon Fre Dat)

Bianca:

(Hey) Mr. DJ let the beat rock

(Hey) Cuz I'm loving how it makes me feel

(Hey) Frequency is so electric

(Parties on the flo then that's where I want to go) x3

Go, go, go, go, go. . .

Bianca:

(Hey) Mr. DJ let the beat rock

(Hey) Cuz I'm loving how it makes me feel

(Hey) Frequency is so electric

Manuel:

Yeah, are we out of our minds

Yeah we're out of our minds

Step back in you gon like what you find

Flow so sick must rewind

Bianca:

Play back, everybody wanna know just where the crew  
is at

Yeah I know you just hatin cuz you're saying Freq

Dat

But you do you, I'll be back

Manuel:

Round 2, beat so hard man I just got bruised

Way to skinny to intimidate you

I stay up in the gym one and two

Bianca:

Hey pretty mama why you dance so funky

Probably cuz it's in me

Go bananas I'm a monkey

(Parties on the flo then that's where I want to go) X5
