Sittin' in my room, I want to hear You speak
I'd never be alone if it was up to me
You take me to the sky with You I feel so free
The apple of Your eye, You're my lover and my King
and

You've been there when my whole world was crashin'
Down and low I know Your love is lasting
'Cause I know that You'll catch me
In Your arms I'll be safe from all harm and we'll

Fly, take me up to Your home
No intention to come down, You take me
High, oh, so high
Every time I'm in Your presence

Fly
You're amazing, I'm rearranging
High, oh, I'm there
With You, with You

Keep it going, keep it flowing
Feel the motion take life, breathe life

Yeah, I don't wanna feel alone so I need You
Hold my hand in this walk of life, let's breeze through
Let my lips tell the story of Your greatness
And let my ears cry when I play this

Song for You in all I do let me breathe life
Inside my heart there's a passion so I still fight
For my life 'cause there's a darkness trying to break in
And there's the love You give, and I'ma take it in

Fly, take me up to Your home
No intention to come down, You take me
High, oh, so high
Every time I'm in Your presence

Fly
You're amazing, I'm rearranging
High, oh, I'm there

With You, with You

Lost in melodic tones of grace that has me
Elevatin' and simply waitin' to be the victim of Your
patience so
In love with all You do, You're so amazing
And got me shifting, 'cause my heart is steady racing
like

I hear a knockin' on my door I let You in
To who I am, what I want, where I've been
Incredible the way You move me
And this is how it should be, we fly

You get me so high
So high that I find myself walking around the rings of
Saturn
In search of a love that makes my heart beat to a
different pattern
I just want to fly

On an escapade to a place where I can see you face to
face and
We can both kick back and have a conversation
About this ingenious system you created called love

Oh, God how I love to love You and spend time with You
That leads me into a state of gratitude
For choosing me to give Your love to
God You got me wanting to

Fly, take me up to Your home
No intention to come down, You take me
High, oh, so high
Every time I'm in Your presence

Fly
You're amazing, I'm rearranging
High, oh, I'm there
With You, with You

Make me fly, make me fly, yeah
Make me fly, make me fly, yeah
Make me fly, make me fly
Make me fly, make me fly

Make me fly, make me fly
Make me fly, make me fly
Make me fly, make me fly
Oh, yes, You are

Take me in Your arms
Never let me go, never let me go
Never let me go
