"Stepping Out"

I feel called to something more,
Beyond what I have known.
I keep shutting out that voice
That cries deep within my soul.
I have more to give, but I have been afraid.
And then I hear You say, "It's still not too late..."

I'm stepping out to take a chance.
And if I fly or if I fall it's in Your hands.
You're the maker of my dreams,
And You'll make a way for me.
So I'm stepping out, I'm stepping out...
To take a chance (Woah oh oh oh ohh)
To take a chance (Woah oh oh oh ohh)

I'm alive, I wanna live
And I am not content to keep holding back
All that I am, the way that I have been.
I am Yours to use and when I am afraid,
You come close to say, "1 step is all it takes..."

So I'm stepping out to take a chance.
And if I fly or if I fall it's in Your hands.
You're the maker of my dreams (maker of my dreams)
And You'll make a way for me.
So I'm stepping out, I'm stepping out...

I believe in the grace You've shown me.
I believe in the words You say.
I believe there's an untold story,
That You're telling through me, oh.
I believe in the grace You've shown me.
I believe in the words You say.
I believe there's an untold story,
That You're telling through me.

So I'm stepping out to take a chance.
And if I fly or if I fall it's in Your hands.
You're the maker of my dreams,
And You'll make a way for me.
So I'm stepping out, I'm stepping out...

To take a chance (Woah oh oh oh ohh)
To take a chance (Woah oh oh oh ohh)

I'm stepping out, I'm stepping out, oh Lord.
I'm stepping out, I'm stepping out...
