You said you want it, you got it
You said you want it, you got it

I got the swag-swag for the rap-rap
That makes you wanna move
I know you do
But it's a fact that all I want is
Our message to come through
You know we do

Yeah, now it's the time for the crew to rise
Got this fire that's in our eyes
Ain't nobody claimin' we perfect
But the truth can no longer hide

We transcend dependin' on
How we lendin' our ears to all the pretendin'
It's no wonder that all our legends
Are lost in depression

'Cause if there's something on your mind
Let me know, know, know
You know we running out of time
Here we go, go, go

Pay no mind to those who wine
Let 'em know, know, know
And transcend by the divine
Here we, here we, go

You said you want it, you got it, got it

You see we been around the world
From New York to overseas
Come back home and it just seems
Like no one really misses me

Had some friends who had my back
Now they wanna try to front
But I'm a love 'em anyway

No lookin' down, I'm movin' on

We got that hippity, hippity, hippity
Hippity, hippity hop
Won't stop till we get, till we get, till we get
Till we get, till we get to the top

I won't deny, we got that live music that vibes
That would make you go loco
We've been through the fire, that's right
It only helped us ignite
A fervent passion to fight
Why you think they signed us, that's right

Can't lie we were designed to climb rely
On the fact that Christ died
Don't need lights when he's inside
Made me bright so He can shine

'Cause if there's something on your mind
Let me know, know, know
You know we running out of time
Here we go, go, go

Pay no mind to those who wine
Let 'em know, know, know
And transcend by the divine
Here we, here we go

'Cause if there's something on your mind
Let me know, know, know
You know we running out of time
Here we go, go, go

And pay no mind to those who wine
Let 'em know, know, know
And transcend by the divine
Here we, here we go

You said you want it, you got it
You said you want it, you got it, got it

'Cause if there's something on your mind
Let me know, know, know
You know we running out of time
Here we go, go, go

And pay no mind to those who wine
Let 'em know, know, know
And transcend by the divine
Here we, here we go
