You piss me off, make me cry  
Don't listen to the morning show I kick you in the eye  
Because boys listen to me, they don't know what  
they're sayin'  
And they know when they come they got to come  
Arabian

You got to come Arabian, you need to come Arabian  
All of the shladies want to touch Arabian  
You got to come Arabian, you got to come Arabian

All of these shladies want to touch Arabian

Bernise and Leslie, Jimmy and Leslie  
They want the chocolate, they want Neslie  
And they want the people and Capitan Cruncho  
Listen to the morning show, you like to get punched?

You got to come Arabian, you got to come Arabian  
All of the shladies want to touch Arabian  
You got to come Arabian, you need to come Arabian  
All of these shladies want to touch Arabian
